#### Yong Shun Chemical Co., Ltd. 2025 Business Report

##### I. 2025 Business Report

In the year 2025, the petrochemical industry faces significant challenges. The uncertainty of US tariff policies, fluctuations in the New Taiwan Dollar exchange rate, and the continued large-scale expansion of China's petrochemical production capacity, coupled with its low-priced exports, are intensifying supply-demand imbalances domestically and across Asia. According to a report by a professional organization in November 2025, Taiwan's petrochemical industry output is forecast to decline by approximately 12.8% year-on-year due to sluggish overall economic recovery.

Faced with an industry downturn and a sluggish market, manufacturers are generally adopting a cautious approach to inventory and are focused on reducing stock levels. Despite the challenging business environment, the Company demonstrated operational resilience thanks to the hard work of its employees: First-quarter revenue was flat with a slight uptick; however, second- and third-quarter revenue declined significantly due to strong price competition from Chinese suppliers. Not until the fourth quarter did revenue begin to recover, driven by year-end restocking demand. Although there was a slight improvement at the end of the quarter, it was still difficult to offset the downturn in the overall industrial environment.

##### (I) Business Plan Implementation Result

Consolidated revenue for 2025 was NT\$729,028 thousand, down 4.5% from NT\$763,392 thousand in 2024. Consolidated net income for 2025 reached NT\$9,308 thousand, a 60.10% increase from NT\$5,814 thousand in 2024; consolidated earnings per share were NT\$0.15, up 50.00% from NT\$0.15 in 2024.

##### (II) Budget Implementation Status

The Company did not disclose financial forecasts in 2025.

The governance units (including the Audit Committee) of Yong Shun Chemical Co., Ltd. are responsible for overseeing the financial reporting process.

### **Auditor's Responsibilities for the Audit of Parent Company Only Financial Statements**

The purposes of our audit were to obtain reasonable assurance of whether the parent company only financial statements were prone to material misstatements, whether caused by fraud or error, and to issue a report of our audit opinions. We considered assurance to be reasonable only if it is highly credible. However, audit tasks conducted in accordance with auditing principles do not necessarily guarantee detection of all material misstatements within the parent company only financial statements. Misstatements can arise from fraud or error. Misstatements are considered material if the individual amount or aggregate total is reasonably expected to affect economic decisions of the financial statement user.

When conducting audits in accordance with auditing principles, we exercised judgments and raised doubts as deemed professionally appropriate. We also performed the following tasks as an auditor:

1. Identifying and assessing risk of material misstatement within the parent company only financial statements that are attributed to fraud or error; designing and executing appropriate response measures for the identified risks; and obtaining adequate and appropriate audit evidence to support audit opinions. Fraud may involve conspiracy, forgery, intentional omission, untruthful declaration, or breach of internal controls, and our audit did not find any material misstatement where the risk of fraud is greater than the risk of error.
2. Obtaining necessary understanding of internal controls relevant to audit and designing audit procedures that are appropriate under the prevailing circumstances, but not for the purpose of providing an opinion on the effectiveness of internal control system of Yong Shun Chemical Co., Ltd.
3. Assessing the appropriateness of accounting policies adopted by the management, and the rationality of accounting estimates and related disclosures.
4. Forming conclusions regarding the appropriateness of management's decision to account for the business as an ongoing concern, and whether there are doubts or uncertainties about the ability of Yong Shun Chemical Co., Ltd. to continue operating, based on the audit evidence obtained. We are bound to remind parent company only financial statement users to pay attention to relevant disclosures in the notes of statements within our audit report if material uncertainties exist in regards to the aforementioned events or circumstances, and amend audit opinions when the disclosures are no longer appropriate. Our conclusions are based on the audit evidence obtained up to the date of the audit report. However, future events or change of circumstances may still render Yong Shun Chemical Co., Ltd. no longer capable of continuing operations.
5. Assessing the overall presentation, structure, and contents of the parent company only financial statements (including related footnotes), and whether certain transactions and events are presented appropriately in the parent company only financial statements.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities within Yong Shun Chemical Co., Ltd. to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and execution of the Company's audits, and for forming an audit opinion of the Company.

We have communicated with the governance body about the scope, timing, and significant findings (including significant defects in internal controls identified during the audit) of our audit.

We have also provided the governance body with a declaration of independence stating that all relevant personnel of the accounting firm have complied with the CPA code of ethics, and communicated with the governance body on all matters that may affect the auditor's independence (including relevant protection measures).

We have identified the key audit matters after communicating with the governance body regarding the parent company only financial statements from the year ended December 31, 2025 of Yong Shun Chemical Co., Ltd. These issues have been addressed in our audit report except for: 1. Certain topics that are prohibited by law from disclosing to the public; or 2. Under extreme circumstances, topics that we decide not to communicate in the audit report because they may cause higher negative effects than the benefits they bring to public interest.

### Independent Auditor's Report

To Yong Shun Chemical Co., Ltd.:

#### Opinion

We have duly audited the consolidated balance sheet of Yong Shun Chemical Co., Ltd. and Subsidiaries for December 31, 2025 and 2024, and the consolidated comprehensive income statement, consolidated statement of changes in equity and consolidated cash flow statement from January 1 to December 31, 2025 and 2024 as well as notes to the consolidated financial statements (including the summary of material accounting policies).

In our opinion, the consolidated financial statements referred to above have been prepared, in all material respects, in conformity with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and are fairly stated in terms of the consolidated financial position of Yong Shun Chemical Co., Ltd. as of December 31, 2025 and 2024, and the consolidated financial performance and consolidated cash flow from January 1 to December 31, 2025 and 2024.

#### Basis for Opinion

Certified Public Accountants conducted our audits in accordance with Regulations Governing Auditing and Attestation of Financial Statements using auditing principles. Our responsibilities as an auditor under the abovementioned standards are explained in the Responsibilities paragraph. All relevant personnel of the accounting firm have followed the CPA code of ethics and maintained independence from Yong Shun Chemical Co., Ltd. and its subsidiaries when performing their duties. We believe that the evidence obtained provides an adequate and appropriate basis for our opinion.

#### Key Audit Matters

Key audit matters are matters that we considered to be the most important, based on professional judgment, when auditing the 2025 consolidated financial statements of Yong Shun Chemical Co., Ltd. and its subsidiaries. These issues were addressed when we audited and formed our opinions on the consolidated financial statements. Therefore, we do not provide opinions separately for individual matters.

The key audit items of the consolidated financial statements of Yong Shun Chemical Co., Ltd. and its subsidiaries for 2025 are as follows:

##### Key audit matter: Authenticity of sales, revenue and shipment to specific customers

Yong Shun Chemical Co., Ltd. and its subsidiaries are mainly engaged in the design, development, and manufacturing of resin products. Since changes in the major customers have a significant impact on the financial statements, and sales revenue is inherently subject to a high degree of risk, we have identified customers meeting specific criteria, and assessed the authenticity of the sales revenue transactions for these customers as a key audit matter. Please refer to Notes 4 and 21 to the consolidated financial statements.

In response to the above important matters, the main audit procedures implemented by the CPAs are as follows:

1. Understanding and testing the revenue recognition of a specific sales target is critical to the design and execution of internal control.
2. For the aforementioned specific sales target revenue details, select the sample to check the relevant supporting documents and test the collection status to confirm that the sales transaction actually occurred.
3. We review whether material sales returns and discounts have occurred after the balance sheet date, in order to confirm whether there is material misstatement in the revenue of specific sales targets.

## Other Items

Yong Shun Chemical Co., Ltd. has prepared the parent company's financial statements for the years 2025 and 2024, and we have issued an audit report with a unmodified opinion for reference.

### **Responsibilities of the Management and Those Charged with Governance for the Consolidated Financial Statements**

The responsibility of management is to prepare consolidated financial statements that fairly present the financial position of the Company in accordance with the Guidelines Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations and Interpretations issued by the Financial Supervisory Commission, and to maintain necessary internal controls relevant to the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management's responsibility also includes assessing Yong Shun Chemical Co., Ltd. and its subsidiaries' ability to continue operating, the disclosure of related matters, and the adoption of the basis of accounting, unless management intends to liquidate Yong Shun Chemical Co., Ltd. and its subsidiaries or to cease operations, or there is no practical alternative to liquidation or cessation of operations.

The governance units (including the Audit Committee) of Yong Shun Chemical Co., Ltd. and its subsidiaries are responsible for overseeing the financial reporting process.

### **Auditor's Responsibilities for the Audit of Consolidated Financial Statements**

The purposes of our audit were to obtain reasonable assurance of whether the consolidated financial statements were prone to material misstatements, whether caused by fraud or error, and to issue a report of our audit opinions. We considered assurance to be reasonable only if it is highly credible. However, audit tasks conducted in accordance with auditing principles do not necessarily guarantee detection of all material misstatements within the consolidated financial statements. Misstatements can arise from fraud or error. Misstatements are considered material if the individual amount or aggregate total is reasonably expected to affect economic decisions of the financial statement user.

When conducting audits in accordance with auditing principles, we exercised judgments and raised doubts as deemed professionally appropriate. We also performed the following tasks as an auditor:

1. Identifying and assessing risk of material misstatement within the consolidated financial statements that are attributed to fraud or error; designing and executing appropriate response measures for the identified risks; and obtaining adequate and appropriate audit evidence to support audit opinions. Fraud may involve conspiracy, forgery, intentional omission, untruthful declaration, or breach of internal controls, and our audit did not find any material misstatement where the risk of fraud is greater than the risk of error.
2. Obtaining an understanding of the internal controls relevant to our audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yong Shun Chemical Co., Ltd. and its subsidiaries' internal controls.
3. Assessing the appropriateness of accounting policies adopted by the management, and the rationality of accounting estimates and related disclosures.
4. Based on the evidence obtained, making a conclusion on the appropriateness of the management's adoption of the basis of accounting and whether there is any material uncertainty about the events or circumstances that may cast significant doubt on the ability of Yong Shun Chemical Co., Ltd. and its subsidiaries to continue operating. We are bound to remind consolidated financial statement users to pay attention to relevant disclosures in the notes of statements within our audit report if material uncertainties exist in regards to the aforementioned events or circumstances, and amend audit opinions when the disclosures are no longer appropriate. Our conclusions are based on the audit evidence obtained up to the date of the audit report. However, future events or circumstances may cause Yong Shun Chemical Co., Ltd. and its subsidiaries to cease to have the ability to continue operating.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements (including the notes in the statements), and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtaining sufficient and appropriate audit evidence of financial information and entities within the group, and expressing opinions on consolidated financial statements. Our responsibilities as an auditor are to instruct, supervise, and execute audits and form audit opinions on the Company.

We have communicated with the governance body about the scope, timing, and significant findings (including significant defects in internal controls identified during the audit) of our audit.

We have also provided the governance body with a declaration of independence stating that all relevant personnel of the accounting firm have complied with the CPA code of ethics, and communicated with the governance body on all matters that may affect the auditor's independence (including relevant protection measures).

From the matters communicated with the governance unit, we decided on the key audit items for the audit of the annual consolidated financial statements of Yong Shun Chemical Co., Ltd. and its subsidiaries for 2025. These issues have been addressed in our audit report except for: 1. Certain topics that are prohibited by law from disclosing

to the public; or 2. Under extreme circumstances, topics that we decide not to communicate in the audit report because they may cause higher negative effects than the benefits they bring to public interest.

#### Article 10 (Proposal Discussion)

If a shareholders' meeting is convened by the Board of Directors, the meeting agenda shall be set by the Board of Directors, and the resolutions of related motions shall be made by voting. If the Chairman declares the meeting adjourned in violation of the rules of procedure, the other members of the Board of Directors shall promptly assist the attending shareholders in electing a new Chairman in accordance with statutory procedures, and then continue the meeting based on the agreement of a majority of the votes represented by the attending shareholders.

The Chairman shall allow ample opportunities during the meeting for explanation and discussion of motions and their amendments or extraordinary motions put forward by the shareholders; when the Chairman is of the opinion that a motion has been discussed sufficiently for voting, the Chairman may announce a cessation of the discussion and call for a vote, and arrange sufficient time for voting.

After an attending shareholder has spoken, the Chairman may respond in person or direct relevant personnel to respond.

Where a virtual shareholders' meeting is convened, shareholders attending the virtual meeting online may raise questions in writing at the virtual meeting platform from the chair declaring the meeting open until the chair declares the meeting adjourned. No more than two questions for the same proposal may be raised, and each question shall contain no more than 200 words.

#### Article 12 (Calculation of the Number of Voting Shares and the Avoidance System)

The voting at a shareholders' meeting shall be based on the number of shares.

The shares held by shareholders with no voting rights shall not be counted in the total number of issued shares while adopting a resolution at a shareholders' meeting.

When a shareholder has personal interests in items at the meeting which may cause harmful results to the interests of the Company, he/she shall not participate in the voting and shall not exercise voting rights on behalf of other shareholders.

The number of shares that may not exercise voting rights referred to in the preceding paragraph shall not be counted in the number of voting rights of the shareholders present.

Except for trust enterprises or stock agencies approved by the competent authority, when a person who acts as the proxy for two or more shareholders, the number of voting power represented by him/her shall not exceed 3% of the total number of voting shares of the Company. Otherwise, the portion of excessive voting power shall not be counted.

#### Article 13

shall have one voting power in respect of each share in his/her/its possession.

When the Company convenes a shareholders' meeting, it shall adopt electronic means and may adopt a written method for the exercise of voting rights. When voting rights exercised in writing or electronically, the exercise method shall be stated in the meeting notice. Shareholders who exercise voting rights in writing or electronically are deemed to have attended the shareholders' meeting in person. However, the exercise of voting rights for extraordinary motions and amendments to the original motions of the shareholders' meeting shall be deemed as abstentions; therefore, the Company shall avoid proposing extraordinary motions and amendments to the original motions.

When the voting right is exercised in writing or electronically, the expression of intention shall be delivered to the Company two days before the shareholders' meeting. If the expression of intention is repeated, the first one that is delivered shall prevail. However, this does not apply to those which declare to revoke the previous expression of opinions.

After shareholders have exercised their voting rights in writing or electronically, if they wish to attend the shareholders' meeting in person, they shall revoke their expression of intention to exercise the voting rights mentioned in the preceding paragraph two days before the shareholders' meeting. Otherwise, the voting rights exercised in writing or electronically shall prevail for late revocation. If voting rights are exercised in writing or electronically and a proxy is entrusted to attend the shareholders' meeting with a power of attorney, the voting rights exercised by the entrusted proxy shall prevail.

The voting of the motion shall be passed with the approval of a majority of the voting rights of the shareholders present, unless otherwise stipulated in the Company Act and the Articles of Association of the Company. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, after which shareholders shall cast their votes on each proposal accordingly. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the number of votes for and against and the number of abstentions, shall be entered into the MOPS.

When there is an amendment or an alternative to a motion, the Chairman shall present the amended or alternative motion together with the original motion, and decide the order in which they will be put to the vote. When any one among them is passed, the other motions will then be deemed rejected and no further voting shall be required.

Vote scrutinizing and counting personnel for the voting on a motion shall be appointed by the Chairman, provided that all the scrutinizing personnel shall be shareholders of the Company.

The vote counting operation of voting or election at a shareholders' meeting shall be conducted in a public place at the venue of the shareholders' meeting, and the voting results, including the number of voting rights, shall be announced on the spot after the completion of the counting and recorded accordingly.

When the Company convenes a hybrid shareholders' meeting, if shareholders who have registered to attend the meeting online decide to attend the physical shareholders' meeting in person, they shall revoke their registration two days before the shareholders' meeting in the same manner as they registered. If their registration is not revoked within the time limit, they may only attend the shareholders' meeting online.

In the event of a virtual shareholders' meeting, votes shall be counted at once after the chair announces that the voting session has ended, and the results of votes and elections shall be announced immediately.

In the event of a virtual shareholders' meeting, this Company shall upload the above meeting materials to the virtual meeting platform at least 30 minutes before the meeting starts, and keep this information disclosed until the end of the meeting.

During this Company's virtual shareholders' meeting, when the meeting is called to order, the total number of shares represented at the meeting shall be disclosed on the virtual meeting platform. The same shall apply whenever the total number of shares represented at the meeting and a new tally of votes is released during the meeting.

If the resolution of a shareholders' meeting contains any material information stipulated by law or provided by the Taipei Exchange, the Company shall transmit the contents to the MOPS before the specified deadline.

The Chairman may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor".

At the venue of the shareholders' meeting where speaking equipment is equipped, if a shareholder attempts to speak through any device other than the equipment set up by the Company, the Chairman may prevent the shareholder from doing so.

When a shareholder violates the rules of procedure and defies the Chairman's correction, or obstructs the proceedings and refuses to heed calls to stop, the Chairman may direct the proctors or security personnel to escort the shareholder out of the meeting venue.

#### Article 18 (Breaks and Continuation of a Meeting)

When a meeting is in progress, the Chairman may announce a break based on time considerations. If a force majeure event occurs, the Chairman may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

Before the conclusion of the proceedings (including extraordinary motions) scheduled for the shareholders' meeting, if the venue for the meeting cannot continue to be used, another venue may be found to continue the meeting upon the resolution of the shareholders.

The shareholders' meeting may, in accordance with Article 182 of the Company Act, decide to postpone or renew the meeting within five days.
